

April 14-18, 2008  
 Hyatt Regency Hotel  
 Miami, Florida USA

---

Sponsored by IEEE Computer Society  
 Technical Committee on Parallel Processing

**Application for IPDPS 2008  
 Student Travel Assistance Grant  
 Provided through IEEE Computer Society Technical Committee on Parallel Processing**

A limited number of travel assistance grants are available through the IPDPS sponsor, the IEEE Computer Society's Technical Committee on Parallel Processing. Priority will be given to individuals who would otherwise be unable to attend the conference and to students presenting their own published work. Notice of awards will be made prior to the conference. The grants will be distributed post-conference in the form of reimbursement against actual travel and accommodations expenses submitted by the student. The amount of the grants will be based in part on student travel requirements and on TCPP funds availability. To qualify for a TCPP student travel assistance grant, a recipient must be:

- author of an accepted conference paper who has registered for the conference,
- a Student Member of IEEE Computer Society at the time he/she submits an application, and
- a full-time student regularly registered toward a degree in engineering or related field in a university.

To apply for a grant, complete the following information and obtain the signature of your advisor endorsing your application and confirming your need for travel expense support. A copy of this completed and signed application should be faxed to +1-866-849-2239 or emailed as an attachment to sjw@useda.com, with subject "IPDPS Travel Grant Application." **Submit by January 31, 2008.** Notification of awards will be made by the end of February.
