IPDPS 2025 Print Poster Instructions

*May 22, 2025: We encourage all poster authors to print at home and carry your poster with you. If for some reason that cannot be arranged, we can have your poster printed if requested by 29 May 2025. The cost for printing should be less than \$25.00 USD (less in Euros), and you may pay in person with a credit card when you collect the poster. This option is available only **until 29 May 2025** end of day AOE.*

- It is the responsibility of the authors to prepare their file in the required format to print.
- **DO NOT SEND ANY ATTACHMENTS. THEY WILL NOT BE DOWNLOADED.**
- Once poster file is ready for print, send an email to print-poster@ipdps.org
- The email should **include a link to your poster file**.

.

Make the subject of your email **IPDPS 2025 Print Poster Request (YOUR FULL NAME)**.

In the body of your email show the following:

- 1) The session – PhD Forum or Conference Poster – where it will be displayed.
- 2) The title and authors associated with the poster.
- 3) The name(s) and email(s) of the author who should be contacted with any questions.

When you check in at Registration, there will be information to tell you how to collect the printed poster and pay the print center.
